JJZ264	Dynamo	Rich Woolworth	M	'\$50.00	Latin Charts	JW Pepper Editors' Choice! - 'Dynamo' is pure excitement! Utilizing a half-time rock feel throughout, with a Latin flavor at times, the melody is carried by a trumpet/trombone duo, then by the trumpet section with a 'Herb Alpert' sound. There are also great lines for bari and bass
JJZ265	East To Wes	Dave Mills	Medium Easy	'\$50.00	Jazz Blues and Swing	This laid back swing chart in 6/4 time is a tribute to the great Wes Montgomery. Instead of a solo section, this features a nice soli by the entire Sax section. This is a great chart to stretch musicians past the standard 4/4 blues tunes into another de
JJZ047	El Baile del Dia	Rich Woolworth	Medium Easy	\$50.00	Latin	This Latin tune features some nice ensemble writing and a relaxing groove before a solo trumpet states the melody. A trumpet soli recaps the melody before it's moved to the saxes. This arrangement includes written solos for Trumpet and Trombone.
JJZ226	El Cordobes	Rich Woolworth	Medium Easy	'\$50.00	Latin Charts	This is a big latin production number in the mold of such classics as "Granada", "Malaga", and of course the very popular "Malaguena". All the familiar ingredients are here: a huge dramatic opening, tempo changes, swirling Saxes, growling Trombones, soaring Trumpets, and a driving rhythm section. There are solos for Trombone and Tenor, and a short "scream" Trumpet spot. An auxilliary percussion part is included to add authenticity and drama to the chart. Your band will love playing this one!
JJZ069	Elijah Rocks	Chris Sharp	Easy-	\$50.00	Jazz Rock	This Hip Hop style interpretation of the classic spiritual is just right for younger groups. Lot's of unison writing and modest ranges make it an easy introduction to rock and swing styles. The solo section features room for your drummer to play an ad lib or written solo.

JJZ070	Energy Crisis	Rich Woolworth Woolworth	Medium Easy	\$50.00	Jazz Rock	Electric Bass, Piano and Guitar share the groovy bass line to get the mood started in this funk-a-licious chart. Horns and rhythm section continue to develop rhythmic hits around the bass line before the saxes soli on the melody. There is room for your drummer to show off with a few solo fills at the end of two more choruses of the theme before the solo section features written or improvised solos by 1st Tenor Sax, 2nd Trumpet or 1st Trombone. Another drum solo takes us from the solo section to the re-introduction of the funky fresh theme. The tune closes as the band riffs again adding rhythmic figures to peak with a powerful ending.
JJZ144	Fascination	Chris Sharp	Medium Easy	\$50.00	Ballads	Lush contemporary chords and a legato ballad feel bring this 100 year old tune back in a big way. Featuring written Trombone solos, this is a great showcase for your low brass section.
JJZ027	Fat Freddie	Richard Woolworth	Medium Easy	\$45.00	Jazz-Rock	Quite possibly the funkiest rock tune you'll ever play with your group. Even the recording musicians necks were movin' to the beat on this one. Includes a greezy tenor sax solo that oozes funkyness.
JJZ227	Feeling Good	Dallas Burke	Medium Easy	'\$65.00	Pop	This chart starts with an epic swingin' blow reminiscent of the version of the tune made famous by Michael Buble. There's a sultry trumpet solo before the band cranks into an uptempo latin groove featuring room for soloists and lots of inventive horn lines. The chart goes back to the original swing style to bring the house down for a big ending!
JJZ247	Fire and Ice	Rich Woolworth	Medium Easy	'\$50.00	Jazz Rock and Funk	This rock tune fires on all cylinders and stays cool with a driving groove in the rhythm section. Features written or ad-lib solos for the lead Trombone. It's time to bring some cool heat to your next concert.
